
Welcome to Mode: Drawing pad

(Thursday, 17 January 2008) - Contributed by Adam (Vergil) - Last Updated (Thursday, 17 January 2008)

Welcome to the new machvergil.com template replacing crimson night! Just like before there are some kinks I just can't test on my testing site so I might have little things that need to be fixed. I know that the Gallery needs to be looked into and hopefully I'll fix that soon. So! How do you like the new digs? {mos_sb_discuss: 4}
